6.					<p>There is no legal objection to the attached recommendations of the working group on Agency overtime practices except that the recommendation in paragraph 3B2 may not be implemented in such a way as to deny an employee any compensation for overtime work. The proposed language change in paragraph 3c(2) of proposed Regulation <span style="border: 1px solid black; display: inline-block; width: 50px; height: 15px;"></span> is legally objectionable since it would result in a denial of any overtime compensation (paid or compensatory) to <sup>some</sup> employees required to take compensatory time off for overtime worked and then denied the opportunity to take the time off.</p>
